Answer

(a) to (d) National Skill Development Corporation (NSDC) under the Ministry of Skill Development and Entrepreneurship is the implementing agency for Pradhan Mantri Kaushal Vikas Yojana (PMKVY) for providing skills training to the prospective youth of the country. However, NSDC did not directly run training institutions under PMKVY.

Under the 1st phase of the scheme (2015-16), trainings are conducted by multiple Training Providers and Centers including private or non-governmental organizations. The accredited and affiliated Training Providers (TPs) use their infrastructure to impart skill training (Short term Training and Recognition of Prior Learning) to the prospective candidates across the country. During the 1st phase, accreditation and affiliation were done by respective Sector Skill Councils (SSCs). However, under PMKVY 2016-20, all the TPs have to mandatorily go through SMART for their accreditation and affiliation for allocation of targets. The target allocation is based on the grading assigned to the TC by the Centre Accreditation and Affiliation Committee. The grading is linked to quality of training, infrastructure availability, training capacity, self-owned center or franchisee center, past performance, geographical location and other relevant parameters.

(e) Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is for all sections of the society including the women. Further, there are certain incentives under PMKVY to encourage women participation in the skill training. All women trainees under PMKVY are provided with travelling allowance of Rs. 1000/1500 per trainee per month depending upon whether TC is within district of Domicile of candidate or outside. Similarly, post placement support of Rs. 1450 per month per trainee is applicable for special group including woman for 2 or 3 month post training depending on placement within or outside the district of the domicile of the candidate.
